

CLASS OF 2020 ACADEMIC RESULTS

From the Principal, Mr David McFadden

I congratulate the Aquinas College graduates and their teachers on the Class of 2020's outstanding academic results. This year the median ATAR was 85.85 with 38 Aquinas College students achieving 90.00 or greater whilst 39 students successfully completed a Certificate IV.

Our community strives to develop young men of faith, character and excellence. Through a disrupted year, the Class of 2020 accepted the challenge *to be the best you can be... for others*. They demonstrated great leadership in spiritual, service learning, cultural, and sporting pursuits alongside their academic achievement. We look forward to the contribution from these young men as they move confidently into the world to use their gifts to lead and serve others.

I would like to thank the Class of 2020 and their families for their contribution to Aquinas College.
