

CUA31115 Certificate III in Visual Arts

A Certificate III in Visual Arts is a nationally accredited qualification that develops in individuals a range of visual art skills to facilitate creative practice and a responsibility for their own output in work and learning. This course provides foundation skills in four distinct areas of practice which may then be built on at an industry level or in further tertiary study. During the course students will undertake studies in twelve of the following units:

BSBWHS201	Contribute to health and safety of self and others
CUAPHI305	Use wet darkroom techniques to produce monochrome photographs
CUAPPR302	Document the creative work progress
CUAPHI302	Capture photographic images
CUARES301	Apply knowledge of history and theory to own arts practice
BSBDES301	Explore the use of colour
CUAPAI301	Produce paintings
CUAACD201	Develop drawing skills to communicate ideas
CUACER301	Produce ceramics
PMC552030C	Operate a firing kiln
CUAPPR301	Produce creative work
CUAPRU301	Produce prints

Assessment in this course is competency based. Students will be required to demonstrate their ability to perform each of the above units consistently over time in order to be considered competent.

Upon completion of this course students will have the skills to be effective workers in the visual arts. Students may also choose to pursue further tertiary study to develop their knowledge and skills in this area.
