### ALTERNATIVE PATHWAYS - 'EARLY START'

Pathway refers to training provided through an external provider that is not administered by QCAA. These options usually contribute QCE points. PATHWAY options include:

- VET Certificate or Diploma – one day per week – eligible to do one less elective subject in lieu
- School Based Apprenticeship – one/two days per week – eligible to do one/two less elective subjects in lieu
- Tertiary Enhanced Studies Program – one day per week – eligible to do one less elective subject in lieu

Each of these options include an additional cost and require consultation with our Careers Advisor.

### NOTES:

- Subjects shown in normal print are 'General subjects' that contribute credits to the QCE and ATAR.
- Subjects shown in *italics* are 'Applied subjects' and contribute credits towards the QCE.
- Please note: some classes have limited availability. If a class is full, another subject selection on that line is requested. This may also occur if a student has not met a subject's prerequisite requirements. Minimum numbers may be required for subjects to be offered.
- Some subjects/courses may involve additional costs.
- SDE refers to the School of Distance Education and all course costs related to this mode of study (approx. \$1,600.00) will need to be paid directly to SDE with the completed enrolment application – see <https://brisbanesde.eq.edu.au> or <https://cainssde.eq.edu.au> for more information and details.
