

# BURGMANN ANGLICAN SCHOOL

## STRATEGIC PLAN 2016–2020

*grace commitment wisdom*

At its heart, Burgmann Anglican School is a community of learners who, furnished with knowledge, insight and spirit, want to shape their world for the better.

Our community aims to nurture each student, informed by enduring Christian values in which action follows contemplation. Accordingly, in all that we do at Burgmann Anglican School, our focus is on character development as expressed through the school's motto: grace, commitment, wisdom.

The success of this vision will be measured by the virtues of our students when they leave school to assume their broader responsibilities in our ever-changing global society.

Following consultation and reflection with parents, students and staff, the school is pleased to present the strategic plan for 2016 to 2020.

## Learning and Teaching

*We aim to inspire a challenging, flexible, creative and innovative learning culture by:*

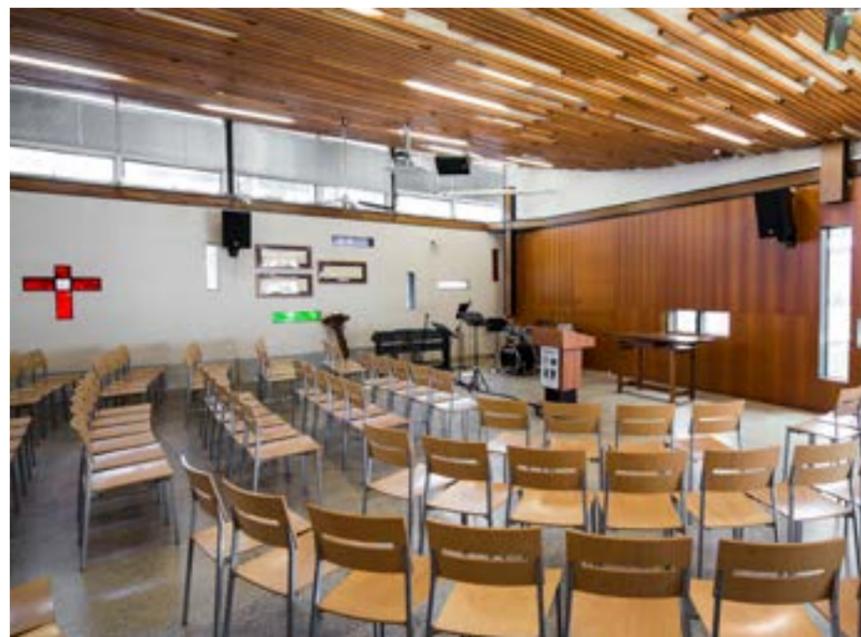

- nourishing professional excellence
- providing an engaging and relevant learning and teaching program
- facilitating commensurate achievements for each student
- embracing Information and Communications Technology to enhance learning and teaching outcomes
- encouraging research to enrich educational outcomes
- enhancing professional learning opportunities
- contributing to the national educational agenda.

## Christian Values

*We aim to promote the Christian values of the Australian Anglican Church by:*

- continuing to attract and retain staff who are passionate, talented and supportive of the Diocesan Ethos Statement
- deepening the culture of service within the school
- deepening the understanding of authentic Christianity
- strengthening relationships in the Diocese.

## Wellbeing

*We aim to develop resilience, respect and authentic relationships by:*

- supporting the emotional wellbeing of students, staff and, where appropriate, parents
- encouraging students to achieve personal excellence
- maintaining a consistent and relevant 'whole student' perspective
- encouraging relationships that enhance learning and understanding
- deepening the understanding of inclusive education within the school community
- promoting sustainable work practices.

## Community

*We aim to serve others in, through and beyond the Burgmann community by:*

- enhancing the service program
- enhancing engagement with the local community
- enhancing engagement with national educational entities
- developing relationships with international schools and appropriate entities globally
- developing the Burgmann Anglican School Alumni Association
- developing the Burgmann Anglican School Archive.

## Governance

*We aim to realise our vision through inspiring leadership by:*

- articulating the school's vision for the next 5 to 20 years
- ensuring fiscal responsibility
- reviewing the school's capital works and maintenance programs ensuring environmental sustainability
- continually reviewing systems to ensure compliance, mitigation of risk and contingency planning
- reviewing the school's master plan
- responding strategically to political and economic change
- maintaining the accessibility of enrolment to those who support the school's aims.
