

**Dear Parents/Guardians,**  
**2024 TUITION FEES AND CHARGES**

BCCS is always sensitive to the impact of school fees on families and strives to keep our fees as low as possible, while continuing to provide a high quality, well- resourced education for all students in our care. With this in mind the school has decided to alter the fee structure in line with adding Year 9 in 2024 . The reason the school has decided to amend the current fee structure is to allow for sibling discounts to be based on a percentage rather than a set amount.

From 1 January 2024 tuition fees per family will be as outlined in the table below:

<b>Grade Level</b>	<b>Per Year <sup>#</sup></b>	<b>Per Term*</b>	<b>Per Fortnight<sup>^</sup></b>
Kindergarten - Year 3	\$2,421	\$605.25	\$127
Year 4 - Year 6	\$2,575	\$643.75	\$136
Year 7 - Year 8	\$3,044	\$761.00	\$160
Year 9	\$3,348	\$837.00	\$176

Notes: # A Discount of 10% will be provided to the amounts in the above table, if the Per Year amount for the entire family is fully paid by the end of Week 2 - Term 1

\* A Discount of 2% will be provided each term to the amounts in the above table, if the Per Term amount for the entire family is fully paid by Friday of Week 2 for that term.

<sup>^</sup> Fortnightly Fees are calculated over thirty-eight weeks of the year (February to November) rounded to nearest \$.

Annual fees are inclusive of charges pertaining to tuition and year level camps. In addition to this, there are a small number of school activities/programs which are charged separately. These include, for example; Technology Levy.

<b>Sibling Discount</b>	<b>Proportion of Fee</b>
1st Child	100%
2nd Child	80%
3rd Child	60%
4th Child	40%
5th Child	0%

**CHRISTIAN COMMUNITY SCHOOL**

Sibling discounts are applied as per the table above. For the first child (oldest sibling) the fee will be 100%, second child (2nd oldest) the fee will be 80% of the sibling's fee, third child (3rd oldest) the fee will be 60% of the sibling's fee, and so on. For a complete breakdown an Aggregate Fee Calculation sheet is attached to this letter.

### **Technology Levy High School**

Technology Levy - \$400 per year (\$100 per term)  
Compulsory as per 1:1 school supplied device model

The school will supply each student starting in Year 7 with a laptop. Model most likely will be a 13" Apple Mac Air. The levy will continue throughout the student's time at high school. When the student departs at the end of high school a nominal value (approx \$100) will be offered by the school for the parents to buy out the device. Initially this device will remain at school for exclusive use by the student. This may change year on year as student and school needs change.
