Dear Parents/Guardians, 22 January 2026

Fees and Charges Information for 2026

We thank you for your continued support and investment in the education of your children at Burrabadine Christian Community School (BCCS) throughout 2025. Our goal is to be the best school we can be while remaining affordable for families. We are aware of the economic pressures that parents continually face. With this in mind, we have carefully reviewed our budget and resources to keep costs as low as possible while maintaining and improving the education we offer.

Fee Increase for Primary and Secondary in 2026

Whilst trying to keep fees as low as possible, the Board has decided to increase the fees for both Primary and Secondary by 3% for 2026, which is lower than actual CPI (approx. 3.2 % September Qtr 2025).

Sibling Discounts & 10% Discount for Full Year's Fees payment

BCCS will continue to maintain its substantial sibling discounts for 2026. Additionally, the School offers a generous 10% discount if the entire yearly tuition fees are paid by the end of Week 2 in Term 1.

Fees Due in 2026

As was the case this year, tuition fee invoices will be sent every term, if applicable. You can make **payment** via **bank transfer (direct deposit)** or **credit card**. Please be advised of a slight change to our payment policy in 2026. For **Term 1 and Term 2**, fees should be paid by the invoice due date or, at the latest, by the end of the term as usual. **However, starting from Term 3, strict payment terms will apply, and all fees must be paid by Week 2 of each term, unless you have made alternate arrangements with the Business Manager. If you wish to pay the fees in full at the beginning of the year, please inform us so we can issue an invoice accordingly with an applicable discount. Please find the attached 2026 Fees and Charges Schedule, which includes the fees calculation sheet.**

If you have any queries, please don't hesitate to contact us between 9 am and 3 pm working days.

High School Levies

Technology Levy

Technology Levy (Yr 7 to Yr 10) - $400 per year ($100 per term)

Compulsory as per 1:1 school supplied device model

The school will supply each student starting in Year 7 with a laptop. The model will likely be a 13" Apple MacBook Air. The levy will continue throughout the student's time at high school. When the student departs at the end of high school, a nominal buy-back value will be offered by the school for the parents to purchase the device. This nominal value will vary depending on how many years the student was enrolled in Years 7–10. Initially, this device will remain at school for exclusive use by the student. This may change from year to year as student and school needs change.

Subject Levy

Yr 9-10 students may have a subject levy based on their respective electives.

Food Technology	$200 per year
Design and Technology	$150 per year
Agriculture	$100 per year
Physical and Sports Studies (PASS)	$100 per year
Photographic & Digital Media	no charge
Industrial Technology - Automotive	$300 per year

Visual Arts	$200 per year

TAS Levy

Yr 7 & 8 will have TAS levy of $100 per year ($25 per term)

Bus Service

BCCS offers a free home-to-school bus service. To ensure the safety and efficiency of the service, **we do not accommodate day-to-day or ad hoc changes to drop-off locations.** Students must use their allocated stops.

Please note that as of 2025, we cannot provide transport to any sporting or social after-school activities. This policy remains in effect. Each bus may have a single, designated extra drop-off point in the afternoon where parents can collect their children for outside school activities.

Please also note that any permanent changes to your pick-up location mid-term or mid-year are subject to seat availability and cannot be guaranteed.
