HOW TO GET YOUR SHIRT PRINTED?

Students bring their t-shirt/s (plain coloured cotton t-shirt), in a zip lock bag with name/class clearly labeled and pinned to the shirt/s and give to their classroom teacher. Shirts do not have to be new, just clean, and with no other logos or designs on them, unless it is a previous EYE shirt is returning for this year's logo.

T-shirts to be handed into the class teacher by Monday 5 September.

WHEN CAN I WEAR THE EYE T-SHIRT?

During EYE Week, students must wear either their sports uniform or their normal uniform to and from school each day of the festival but can change into their EYE shirts when they arrive.
