

# CLARENCE-COFFS INDEPENDENT SCHOOLS CAREER HUB

The Association of Independent Schools of NSW is the peak body supporting and representing 480 independent schools in NSW.

AISNSW is working with schools to establish regional hubs, partnering with employers and tertiary education institutions, to ensure young people experience the world beyond school and are supported in transitions to further education and employment.

The Clarence-Coffs hub includes Clarence Valley Anglican School, St Andrew's Christian School and Bishop Druitt College.

## HOW YOU CAN BE INVOLVED

- Industry site tours
- Guest speakers
- Careers expo
- Skill-development workshops
- Mentoring and/or coaching for teachers or students
- Career taster/immersion experiences for teachers or students
- Work experience
- Internships
- School Based Apprenticeships and Traineeships
- Think tanks, design sprints, start-ups and project-based initiatives

## BENEFITS OF PARTNERING

- Foster a positive community image by demonstrating genuine social responsibility
- Increase brand recognition of your organisation
- Inform educational practice, contribute to skill development and enrich capabilities of the future workforce
- Attain expertise, ideas, solutions and skills from teachers and students.
- Gain access to a larger pool of future employees/leaders with transferable capabilities.
- Acquire insight into current and future employees or customers.
- Enrich professional growth opportunities for employees
