

SONGWRITING WORKSHOP

With Tony Rowley

9 - 13 January 2023

Budding songwriters will benefit from this exciting introduction to lyric writing and song structure. Students will learn to write their own song on their chosen instrument and have the opportunity to collaborate with others, share their songs and have them recorded.

Explore the depths of imagination and metaphor with Titan Sky frontman Tony Rowley. Get inspired and get writing!

As well as writing their own song on their chosen instrument, students have the opportunity to collaborate, share their songs, and have their song recorded. This course is suitable for aspiring musicians interested in songwriting or poetry.
