

France trip January 2024

The New South Wales Association of French Teachers (NAFT) in partnership with Cavilam Language School, Vichy, is running a 3-week study tour in January 2024. The tour is open to any Year 10 or 11 student studying French in a NSW school in 2023 and will be accompanied by two volunteer teachers from NAFT. The aim of the tour is to provide students with a short-term language immersion experience, and will include 3 weeks of language study during which students will be accommodated in host families.

This tour is not being run by BDC, nor will any BDC staff be attending.
