

Event Coordinators Report AGM 2020

Angela Barclay and Joanne Calder

In January 2020 PAFA was up and running preparing for all the upcoming events of the year.

First up was Trivia Night planned to take place in March. Prizes were collected from various vendors throughout the Gold Coast, we had our MC and special guests – the local fire brigade – who were to receive a donation based on the proceeds from the evening. Unfortunately it was cancelled due to Covid-19.

The Mother's Day stall scheduled for May was also fully prepared by PAFA, but this too had to be cancelled due to Covid-19. Since everything was prepared and ready all stock purchased for the event has been properly stored and will be used for Mother's Day in 2021.

Once College events were back up and running PAFA prepared and organized the morning tea for prospective parents at the Principals Tour in July. It was an amazing success! The format used we will continue to employ for future tours, as long as it's allowed under current Covid-19 safety guidelines.

In Sept PAFA organized the Father's Day stall, which was another successful event.

As we draw to close out the year, PAFA is currently working on the Tea Towel fundraiser, which will be finalised within the last couple of weeks of Term 4.
