

PAFA AGM 14 October 2020

Principal's Report

1. Thanks to PAFA Executive

We have been blessed with a small but active team this year. Thanks to Paul Cansdale, Signe Hoffe Price, Natalie Griffin and their team.

2. Thanks to College staff

Thanks to Marketing and Communications team Aimee Bartlett and Karin Spriggs for their great support of PAFA this year.

3. Principal's Tours

These events have been enhanced by the addition of parent Angie Barclay who has spoken to prospective families about her experience as a relatively new parent.

The morning tea catering by PAFA has made a big difference to these events also and this has been much appreciated. I think it is important for new families to see this involvement by PAFA.

4. Events in 2020

Unfortunately, COVID-19 has had a significant impact on our regular events this year. However, PAFA has continued to operate the Mothers' and Fathers' Day stalls and banking where possible.

5. J Block

The extension and refurbishment of J Block has been a highlight for our College during a difficult year. We are grateful for the patience of our students, staff and families during the construction period. At times they have had to tolerate building noise and restricted movement while the building has taken place around them.
