

SLAM! STUDENT LEADERSHIP AND MENTORING -2020

Year 5 & 6 are excited to explore a new mentoring program this year. Due to COVID-19, we are making some adjustments to our regular Peer Support program to ensure students are still having the opportunity to learn and implement leadership skills. The transition from Year 5 to Year 6 is a significant change, so we have created a mentoring program where the Year 6 students support Year 5 and provide them with 'tips' and ideas to prepare for Year 6. These sessions will not only benefit Year 5, but also develop Year 6 students' leadership and mentoring skills. The focus for this program will be 'Servant/Christian Leadership', 'Values and Ethics', 'Emotional Intelligence', and 'Collaboration and Communication'. Within these sessions, the teachers will teach the concept, and brainstorm ideas about how these topics relate to Year 6, and how each concept can be delivered to Year 5 in a meaningful and practical way. The Year 6 students will then meet with their Year 5 SLAM group on a Monday morning to implement a 'lesson/session' and create dialogue around the transition to becoming the leaders of the school.
