

# 2025 Impact Report

Clayfield College  
Foundation

Let your light *shine*

# Message from The Chair

As we reflect on the impact of the Clayfield College Foundation in 2025, we do so with a deep sense of pride and optimism. This year has been defined by a momentum built on the generosity of our community and on a shared belief in the power of education to shape confident and compassionate young people.

The Foundation exists to strengthen Clayfield College for today and into the future. Through the support of our donors, we continue to invest in initiatives that enhance learning environments, expand opportunity and ensure every student has the chance to thrive, regardless of background or circumstance.

In 2025, the focus of the Foundation has been on sustaining and extending the impact of recent capital investments while continuing to respond to the evolving needs of the College. From the revitalisation of key campus spaces to the provision of scholarships and bursaries, each initiative has been guided by one simple question: *how will this enrich the student experience?*

We have also remained committed to programs that nurture excellence beyond the classroom. Through the **Opportunities for Excellence** Program, students have continued to access authentic, high-level experiences that inspire creativity, build confidence and open doors to new possibilities. In 2025 our students attended a workshop with the powerful **Kate Ceberano**, continuing our dedication to facilitating access to award winning

musicians as part of the On the Green performance experience. These moments are often transformative, and are a direct result of the belief our supporters place in young people and in the College.

What sets the Clayfield College Foundation apart is the strength of its community. Parents, alumni, staff and friends of the College share a collective commitment to giving back and paying forward the opportunities that define a Clayfield education. Your generosity ensures that the College remains a place of ambition, inclusion and opportunity.

**Giving Day 2025** saw the introduction of our **Giving Stars**, highlighting the power of philanthropy throughout the Junior and Senior schools. Once again exceeding our target goal, we gave an incredible **\$282,935** in 12 hours through **586 donations** from students and the wider community. Dedicated to creating a new student hub, we look forward to the official opening of the **Foundation Courtyard** in April 2026.

Reflecting an increasing number of donations directed towards the Scholarship Fund, the Board are proud to introduce the **Foundation Scholarship**, providing a 50% scholarship annually to a new student entering the College in Year 10.

On behalf of the Foundation Board, I extend my sincere thanks to all who have contributed throughout the year. Your support continues to make a meaningful difference today and well into the future, ensuring Clayfield College remains a place where potential is recognised, nurtured and realised.

**Sandra McCullagh**  
Foundation Chair

# Our Impact

## \$288,376

Total funds allocated to the College in 2025:

## \$48,376

Scholarships and Bursaries

## \$326,824\* Building (State-of-the-Art Facilities)

## \$80,625 Scholarships and Bursaries

\*Does not include Voluntary Building Fund contributions.

The impact of the Clayfield College Foundation is driven by the strength and generosity of our community. Prospective families, current and past parents, Old Collegians, staff and friends of the College each play a vital role in shaping what is possible for our students.

Your support enriches the Clayfield experience in tangible and lasting ways, enhancing learning environments, expanding access to opportunity and helping every student to thrive, both now and into the future.

As we look ahead, the Foundation remains committed to building on this momentum, deepening our partnerships and extending our impact in 2026 and the years beyond.
