

Statement of Commitment to the Protection of Children and Young People

Clayfield College recognises that protecting students from harm and the risk of harm is fundamental to maximising their personal and academic potential. For this reason, the welfare and best interest of our students will always be a primary consideration.

Clayfield College supports the rights of children and young people and is committed to ensure the safety, welfare and wellbeing of students. Clayfield College is therefore committed to responding to allegations of student harm resulting from the conduct or actions of any person including that of employees.

This commitment includes the provision of a safe and supportive living and learning environment for all students and requires all employees, volunteers and visitors to model and encourage behaviour that upholds the dignity and protection of students from harm. In support of this commitment, Clayfield College is dedicated to our PMSA Child Protection Risk Management Strategy – 2019 which includes having relevant policies, procedures and training in place to effectively address the safety and wellbeing of students in our care.
