HSC RESULTS 2025

Congratulations to the Class of 2025!

We are delighted to congratulate the Class of 2025 on their outstanding HSC results!

Our students have shown remarkable perseverance, diligence, and creativity, supported by the faithful guidance of our teachers and the partnership of our families.

This year, **20% of our students achieved an ATAR above 90**, with **5% scoring 95 or higher**. Special congratulations to Lily Amos, who earned our highest ATAR of 99.35, and to those who achieved exceptional results across a range of subjects.

Beyond the numbers, we celebrate every student who worked with diligence, overcame challenges, and gave their very best. These achievements reflect years of commitment and God's gracious provision.
