A daily bus service operates to and from Highfields. Similarly, families living in Preston, Hodgson Vale, Mount Rascal and Top Camp can access one of our daily services, to transport their children to any campus.

The maps shown highlight the current routes for 2021. These routes change annually to accommodate the needs of the students registered to travel on our bus, so should you wish for transport in the general area that is currently serviced, contact the Business Office on 4688 2700 to discuss requirements that could suit your family.
