Dear Concordia Community,

RE: Easing of Restrictions as of 4pm Friday 20 August

The Queensland Government today announced restrictions would ease in the 11 South-East Queensland (SEQ) Local Government Areas (LGAs) from **4.00pm Friday, 20 August**. Complete details of the updated restrictions and Roadmap are accessible through the Queensland Health website -

<https://www.covid19.qld.gov.au/government-actions/roadmap-to-easing-queenslands-restrictions> .

MASKS

Please note that any student, parent or staff member who currently resides in one of the 11 LGAs **must continue to wear** a mask when indoors or outdoors if not able to socially distance until **4pm on Friday 27 August**.

The Queensland Chief Health Officer confirmed that if workers in an LGA could socially distance within their workplace (i.e. maintain a distance of 1.5m) they do not need to wear a mask, but should put it on when they move around their workplace.

Masks will not be required outside in an LGA, however people must continue to carry them at all times and to wear them if they can't socially distance.

COMMUNITY SPORT

Community sport will recommence from **Saturday 21 August**.

Thank you for your ongoing support and patience in this matter. Please do not hesitate to contact either your child's Director of Campus or the College if you require further guidance and clarity in this matter.

With kindest regards

Mr Anton Prinsloo
