1. School profile

Cheltenham SC was established in 1959 and is located approximately 25 kilometres southeast of Melbourne. We have 950 students enrolled from Year 7 to 12 and 80 school staff members including a wellbeing coordinator and counsellor.

Most students that attend our school live locally and tend to walk or ride their bikes to school. Cheltenham SC has developed close ties to the local community and enjoys support from our local shops and community services.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Cheltenham SC's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility, sense of community and personal best at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.
