LAUNCH INTO LEARNING EXPECTATIONS

CHILD	PARENT	LIL FACILITATOR
I will say good morning to the LIL Facilitator when I enter the classroom.	I will support my child's learning.	I will provide engaging and stimulating activities.
I will complete the activities the LIL Facilitator has provided for me to try.	I will sit with my child and help them complete the activities.	I will develop strong and positive relationships with parents and children.
I will listen to my parents and the LIL Facilitator.	I will engage with the LIL Facilitator and other parents.	I will provide a safe learning environment.
I will be kind to the other children and share the toys with them.	I will help pack up the activities at the end of the session.	I will develop a new focus area every week.
I will pack up one activity before going onto the next.	I will praise my child when they have completed an activity.	I will invite other staff members from the College to take mini lessons for Music, Japanese and Library.
I will have a go and try new things. I will try my best.	I will take some ideas from LIL and use them at home.	I will show parents and children around the College.

LAUNCH
INTO LEARNING

Launch into Learning will prepare your child for school. Parents and children together will make friends for life at Dominic College.

We look forward to meeting you!
