

Dominic College

Health, Safety and Risk

Risk

Playing or practising football is a potentially hazardous activity.

By accepting a place in Dominic College training sessions, you acknowledge that the player has voluntarily chosen to participate in the event or clinic and that it may involve physical activity of a strenuous nature, and that there are inherent risks in all aspects of physical activity.

While all reasonable precautions are taken to ensure a safe environment, players participate in sessions at their own risk with full understanding of the risks involved.

It is recommended before taking the field that each family consider their individual insurance needs and take out personal health insurance if they believe additional cover is required.

For more information, please refer to the General Terms and Conditions applicable to all activities and events held by Dominic College.

Medical Information

During the registration process, parents are required to declare if their child has a pre-existing medical condition, any allergies, or has been prescribed medication. Any medication that requires assistance when being administered should also be declared. Medication should be in its original packaging and clearly labelled with the participant's name and clear instructions for use.

If a child suffers from learning or behavioural difficulties, parents should flag their specific needs with relevant coaching staff to ensure successful inclusion in the program.

For more information, please refer to the General Terms and Conditions applicable to all activities and events held by Dominic College.

Medical Attention

Where required, first aid will be administered for minor injuries to the child and to ensure they are fit to return to play. If the child is not fit to return to play, the child will be supervised until they recover or until an authorised adult arrives to collect them.

In the event of a medical emergency, the relevant external authorities may be contacted. The parent or guardian will be informed as soon as possible as outlined in the General Terms and Conditions applicable to all activities and events held by Dominic College.

Please note, where we believe necessary, an ambulance will be called at your cost. We strongly recommend, as a minimum, taking out Ambulance Insurance cover.
