

SEQTA Parent Portal Information

SEQTA Engage provides parents and guardians with a range of information on their child's academic progress, including:

- homework and timetable;
- pastoral care overview;
- unexplained absences and attendance history;
- details of upcoming assessments;
- assessment results (including academic reports); and
- comments from teachers.

A link to the Parent Portal will be available on the **College Website**, under the '**Dominic Hub**' menu.

If you are a current parent who is receiving mail in relation to your child, you will automatically be assigned a personal logon for the Parent Portal. This logon will be delivered to your email.

Our relationship with parents, guardians and students is important to us. We hope you find the Parent Portal a valuable resource and engagement tool that informs you of your child's learning and development, supports you in your role as the primary educator of your child and serves to further strengthen the communication between families and the College.
