

# Application for Membership

Deutsche Schule Melbourne Inc, ABN 52 936 931 854

DSM is a not-for-profit association based on a strong membership. The aim of our school is to help students realise their individual potential and become creative and confident participants in the global community. This is fostered by the school being an integral part of both local and German-speaking communities.

Members support our school by electing or being elected to the school Board and participating in various school working groups. Members can also use our German/English library.

**I would like to become a member of Deutsche Schule Melbourne Inc. In the event of my admission as member, I agree to be bound by the rules of the association for the time being in force.**

Under the Associations Incorporation Reform Act 2012 (the **Act**), the association must keep and maintain a register of members containing the name and address of each member and the date on which the member became a member of the association. The association must make the register available for inspection by a member on request at a reasonable time. Under the DSM constitution, a member may make a copy of entries in the register.

Under the Act, a member may make a request to the secretary to restrict access to their personal information recorded in the register of members.
