YEAR ELEVEN

Digital texts:

Students can access their digital texts by logging into their MyConnect2 account after purchase. We strongly recommend using your school email address to log in before the school year begins.

Further information on MyConnect2 and how to login to the students account can be found at:

<https://campion.com.au/find-my-school/>

Some items on this Resource List allow you to choose your preferred version between a 'Print & Digital' bundle (these bundles include both the digital resource and a physical book and are clearly labelled as 'Print & Digital' in the Online Ordering Portal) OR you may choose a 'Digital Only' resource, which provides all components online.

In some instances there is a 'Print & Digital' OR a 'Reactivation' option. Reactivation codes are only for students with a second-hand copy of the selected book, and won't work without it or with an incorrect edition.

Second Hand Texts: Please be advised that if you purchase a second hand text and purchase the digital reactivation code on this booklist, the text will not activate on the College MyConnect2 platform as a digital text. If you require digital access for the second hand text, please contact the publisher directly to activate the digital access.

- Digital texts are valid for 1 year (unless otherwise stated).
- **Please order your digital items carefully ensuring the correct resources are selected for the students' subjects as items cannot be returned, refunded or exchanged for a change of mind.**

All textbooks itemised on this resource list display the correct editions. Previous editions do not align with the current curriculum, therefore second-hand copies or reactivation codes are not valid.
