

GOLD COAST  
CHRISTIAN  
COLLEGE

## 2026 BUS INFORMATION & FEES

Gold Coast Christian College operates a bus system on the motorway from Coomera to Coolangatta. You can enjoy the convenience of knowing your child can get to and from school as safe as possible each day using our private bus service.

Five school buses operate to transport the students to and from school. One caters for the southern end of the Gold Coast, two cover the central Gold Coast and two cover the northern end.

As the bus has limited time for each route, it is not possible to pick up children from every home address. Additional pick-up points along the current run and within time constraints can be suggested by contacting [info@goldcoastcc.qld.edu.au](mailto:info@goldcoastcc.qld.edu.au)
