2026 UNIFORM PRICE LIST

Our uniform standards help create a calm, respectful learning environment. Research shows that school uniforms support focus, reduce distraction, and foster a strong sense of belonging. In this way, we support students as they become who God created them to be and develop the knowledge and skills to contribute to the world.

As we transition to our new name, Graceview Adventist College, no uniform changes are planned for 2026 unless an item sells out. Once Graceview uniforms are available, uniforms will transition gradually over a three to five year change over period, allowing students to continue wearing current uniforms throughout.
