Student will be notified within 10 days of intention to report. The notification of intention to report will be issued to the student prior to the commencement of the next semester. Following the outcome of the internal process, if the student wishes to complain or lodge an external appeal about a decision made or action taken by Gold Coast Christian College, he/she may contact the Overseas Student Ombudsman at no cost. Please see Gold Coast Christian College’s Complaints and Appeals Policy for further details.

2. Completion within expected duration of study

- a. As noted in 1.a., the College will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- b. Part of the assessment of course progress at the end of each semester will include an assessment of whether the student’s progress is such that they are expected to complete their studies within the expected duration of the course.

- c. The College will only extend the duration of the student's study where it is clear that the student will not be able to complete their course by the expected date because of:
 - i. the student can provide evidence of compassionate or compelling circumstances
 - ii. the student has, or is, participating in an intervention strategy as outlined in 1.e.
 - iii. an approved deferment or suspension of study has been granted in accordance with Gold Coast Christian College's Deferment, Suspension and Cancellation Policy (found in this handbook and on the College website).
- d. Where the College decides to extend the duration of the student's study, the College will report this change via PRISMS within 14 days and/or issue a new COE if required. In this case, the student will need to contact the Department of Home Affairs to seek advice on any potential impacts on their visa, including the need to obtain a new visa.

3. Monitoring Course attendance

- a. Satisfactory course attendance is attendance of 80% of scheduled course contact hours.
- b. Student attendance is:
 - i. checked and recorded daily
 - ii. assessed regularly
 - iii. recorded and calculated over each study period.
- c. **Late arrival at the College will be recorded and will be included in attendance calculations.**
- d. All absences from College will be included in absentee calculations and should be accompanied by a medical certificate, an explanatory communication from the student's carer or evidence that leave has been approved by the Principal/Head of College.
- e. Any absences longer than 3 consecutive days, and no longer than 5 days, without approval will be investigated.
- f. Student attendance will be monitored by the class teacher or home room teacher every week over a study period to assess student attendance using the following method:
 - i. Calculating the number of hours the student would have to be absent to fall below the attendance threshold for a semester e.g. number of study days x contact hours x 20%. For example, a 20 week study period with 5 contact hours a day would equal 500 contact hours. 20% of this is 100 hours. Gold Coast Christian College calculates attendance using a formula based on the number of days absent. For example, a 20 week study period with 5 days a week would equal 100 school days. 20% of this is 20 school days.]
 - ii. Attendance for any period of exclusion from class will be assessed under Gold Coast Christian College's Deferment, Suspension and Cancellation Policy.
- g. Parents of students at risk of breaching Gold Coast Christian College's attendance requirements will be contacted by email or phone and students will be counselled and offered any necessary support when they have absences totalling 10% in any study period.
- h. If the calculation at 3.f. indicates that the student has passed the attendance threshold for the study period, Gold Coast Christian College will assess the student against the provisions of Item 3.j. (below). Where the student has failed to meet the minimum attendance requirement, and Item 3.j. does not apply, the school will promptly advise

- the student of its intention to report the student for breach of visa condition 8202, and that he/she has 20 working days in which to access the College's internal complaints and appeals process except in the circumstances outlined in 3.j.
- i. The College will notify THE NATIONAL ESOS AUTHORITY via PRISMS of the student not achieving satisfactory course attendance as soon as practicable where:
 - i. the student does not access the complaints and appeals process within 20 days
 - ii. the student withdraws from the complaints and appeals process by notifying the Principal of Gold Coast Christian College in writing,
 - iii. the complaints and appeals process results in a decision in favour of the College.
 - j. Students will not be reported for failing to meet the 80% attendance threshold for a study period where:
 - i. the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances e.g., medical illness supported by a medical certificate or as per Definition, below, and
 - ii. the student has not fallen below 70% attendance for a study period.
 - k. The method for calculating 70% attendance is the same as that outlined in 3.f. with the following change; or number of study days x number of days per week x 30%.
 - l. If a student is assessed as having nearly reached the threshold of 70% attendance for a study period, the class teacher / home room teacher will assess whether a suspension of studies is in the interests of the student as per Gold Coast Christian College's Deferment, Suspension and Cancellation Policy.
 - m. If the student does not obtain a suspension of studies under the Gold Coast Christian College's Deferment, Suspension and Cancellation Policy, and falls below the 70% threshold for the study period, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur as outlined in 3.h – 3.i.

4. Definitions

- a. Compassionate or compelling circumstances - circumstances beyond the control of the student that are having an impact on the student's progress through a course. These could include:

 - v. where the College was unable to offer a pre-requisite unit
 - vi. inability to begin studying on the course commencement date due to delay in receiving a student visa.
 - vii. For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an impact on the student's progress through a course.
- b. Expected duration – the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.

- c. College day – any day for which the College has scheduled course contact hours.
- d. Study period – a discrete period of study within a course which cannot exceed 24 weeks. Gold Coast Christian College defines a “study period” for the purposes of monitoring course attendance and progress as a semester.
