## HOMESTAY FEES, CHARGES & GUIDELINES

The Gold Coast Christian College has a homestay program that finds suitable homes for overseas students. Students are charged the standard placement and homestay fee as set at the time of the application.

### ACADEMIC YEAR RATES

- Single student **\$310 per week**
- Two students in separate rooms **\$310 per week (each)**
- Placement Fee **\$250 per person**
- Daily Rate **\$50 per day**

### HOLIDAY RATES

In the case of a student being away from their host family during the school holidays the weekly rate will be adjusted to \$100.00 per week. We believe this adjustment is fair to all concerned but will only apply during an official school holiday period. This includes all end of term holidays and the main Christmas holiday period at the end of each academic year.

If a student decides to be away from the homestay family for a period other than the normal school holidays, then he/she will pay the normal academic year rates each week as set out above. Any change to this arrangement is at the discretion of the homestay family.

If the student decides to be away from the homestay family for any of the official school holiday breaks, then he/she will pay the holiday rate as set out above. Again, any change to this arrangement is at the discretion of the homestay family.

## **ARRANGEMENTS FOR PAYMENT OF HOMESTAY FEES**

Homestay payments are made directly to the College and must be paid 6 months in advance.
