This fee covers tuition at Haileybury and is charged across four instalments, which, for 2021, will be payable on 1 November 2020 and 15 February, 1 May and 1 August 2021. These fees are not pro-rated if your child does not commence on the first day of the School year or is absent for part of a term or leaves Haileybury before the end of a term.

Further fees will be incurred for the Managed Device Program (MDP) in Years 5 to 9, where students will receive a new device managed by the School. This will be invoiced over three annual payments of \$650 per payment which includes all software, warranty costs, case and a capped repair package. At the end of this period the family will own the device. Compulsory year levels in 2021 for the MDP are Years 5 & 9 and any new students entering Years 5 to 9 at the School. It is also compulsory for Students in Year 6 to be part of the MDP, however, if they purchased the device for the 2020 academic year this was paid in full and the levy will not be charged. Students can opt into the program at any time via the myHaileybury app and the annual levy will depend on the number of years the student has left at the School.
