Please note that fees may change from year to year. No student will be permitted to enter Haileybury Rendall School while any fees remain unpaid.

## Sibling discount

We will reduce the Annual Fee payable for full-time students attending Haileybury Rendall School concurrently where they are siblings. The applicable allowances are:

Sibling	Discount
Oldest child	Nil
Second oldest child	5% of Tuition Fees
Third oldest child	10% of Tuition Fees
Fourth oldest and subsequent children	20% of Tuition Fees

However, we will not make this reduction where any of these students have been granted other forms of fee assistance (such as bursaries or scholarships).

## Additional charges

The Annual Fee (comprising the Tuition Fee and Boarding Fee) covers most specialist subject charges, excursion charges, and travel to and from, and accommodation, at most camps. Additional charges are imposed by the School for textbooks, uniform, the Managed Device Program (MDP) for purchase of a notebook computer and where optional, individual or small-group tuition sessions that are requested by parents (e.g. Private Music Tuition). Additional charges may also apply to students involved in optional special camps, tourist activities, sporting teams and some extra-curricular activities.

### Managed Device Program

The Managed Device Program (MDP) is where students will receive a new device managed by the School. Participation in the MDP is compulsory for student in Years 5 to 9 and optional thereafter.

The MDP incurs a one-off payment of approximately \$1,441.00 (incl. GST), and includes provision of the device, all software required by the School, 3 year warranty and capped accidental damage protection costs and case.

### Textbooks and calculators

Total – \$800 (incl. GST)

Students should allow approximately a further \$800 per year (subject to change) to purchase textbooks and regulation calculators (available from the School supplier).
