

HAILEYBURY

# VCE Results

*Class of 2025*

# Message from the CEO | Principal

Dear Parents and Guardians,

Haileybury's largest ever cohort of Year 12 graduating students have achieved an outstanding set of results. They are a testament to their hard work, resilience and commitment, and open a wealth of opportunities for their post school future.

Five Haileybury students have earned the highest possible Australian Tertiary Admissions Ranking (ATAR) of 99.95. This is an extraordinary accomplishment, given that only a small number of students across the country achieve this ranking each year.

In addition, 51% of Haileybury Girls College students and 50% of Haileybury College students received an ATAR of 90 or higher, placing them in the top 10% of the country. The combined median ATAR for both Haileybury boys and girls was 90, reflecting another year of exceptional academic performance.

I am also pleased to report that 94% of Haileybury students ranked in the top 40% nationally, which highlights our School's ongoing commitment to ensuring that every student has the opportunity to achieve their personal best. Every student matters every day is central to our approach, and these results reflect the dedicated support our students receive from our exceptional teaching staff.

Haileybury Pangea's third graduating class has also achieved strong results. The Dux attained an impressive ATAR of 98.85, with 20% of students scoring 90 or above. These achievements demonstrate that high-quality education transcends geographic boundaries and can be successfully delivered in diverse formats.

In total, 258 Haileybury graduating students obtained an ATAR in the top 10% in the country and 482 students were in the top 40% in Australia.

The Class of 2025 has demonstrated great resilience and collaboration throughout their senior years. Their commitment to their studies, supported by their teachers and families, has been wonderful to see. I extend my deepest gratitude to our brilliant staff for their ongoing dedication and care, which have been key to our students' success.

I would also like to acknowledge the important role played by Haileybury families. The academic achievements we celebrate today are the result of a strong partnership between students, parents, guardians and the School. This collective effort has helped to bring out the best in our students.

As we reflect on the achievements of the Class of 2025, we eagerly anticipate the exciting journeys that lie ahead for these talented and ambitious young people. We wish them all the best in their future endeavours and look forward to seeing the impact they will make in the world.

Yours sincerely,

A handwritten signature in gold ink, which appears to read 'Derek Scott'. The signature is fluid and cursive, written in a professional style.
