Holiday Fun Information

What to Bring

- ✦ Sun safe clothing
 - ✦ Enclosed shoes
 - ✦ Snacks and meals
 - ✦ Water bottle
 - ✦ Any medication or specific requirements
- Water Activities can't be done without Sun Smart swimwear that covers shoulders and midribs*

Excursion Days

Parent/carer MUST provide written consent for their child/ren to participate in an excursion on a PCYC Queensland Excursion Permission Form. Please check the time your child/ren must be at the service for the excursion ready for departure. Each excursion has a Risk Assessment which will be available to parents at the service.

Operating hours

Children cannot be dropped off at the service before the service approved opening time.

If you are running late for pick-up, there is a five-minute grace period. After that, there will be a late fee of \$15 for every 15 minutes past closing time. This helps us to make sure we can keep things running smoothly for our Fun Squad children and team members.

Bookings and cancellations

All bookings are required to be submitted through the Parent Portal. If spaces are available, bookings can be made until 5.00pm the previous day. Children who arrive without a booking are subject to availability and ratio. Bookings made less than ten days prior to the commencement of the session will incur a surcharge fee of \$4.00 per session and per child. A minimum of 7 days' notice is required for all cancellations. Cancellations must be submitted via the Parent Portal App to be processed. Where a session is made absent for a child due to the child, parent, sibling, or another individual with whom the child lives with being ill, a medical certificate must be provided within fourteen days of the booked session, for the fee to be removed.

Children's property and belongings

We take no responsibility for the loss or damage that might be sustained to a child's personal belongings while at the service. Therefore, please carefully consider the personal property and belongings your children may bring with them, especially if they are expensive or could be damaged at the service and ensure they are clearly labelled.

Medication

If your child has a relevant (as per policy definition) medical condition you must have a Medical Management Plan in place at the service and provide medication.

Some conditions (diabetes and epilepsy) must have a Medical Management Plan authorised by a medical practitioner.

If your child requires medication while at the service, parent/carers are responsible for:

- ✦ Presenting the medication to the Responsible Person upon arrival for appropriate storage
- ✦ Providing medication that is labelled by a pharmacist with the child's name, instructions and dosage for administration
- ✦ Completing a Medication Form to authorise Educators to administer the medication
- ✦ Working with the service to complete a Medical Management Plan (where required)

Medication that is expired or does not meet the requirements cannot be administered. If your child's support requirements change during Holiday Fun, please make the service aware as soon as possible.

Snacks and meals

Check the Fun Squad's program for food that needs to be brought to the service. PCYC Queensland encourages that food brought to the service is healthy and nutritious. Where we are aware of food allergies or intolerances, we aim to reduce the risk as far as possible to those children and may ask you to assist us in reducing these risks by not providing food that contains known allergens for children attending the service. Known anaphylactic allergies will be displayed in the service family area.

Receiving Child Care Subsidy

After your booking has been placed and submitted by PCYC Queensland, you must log into your MyGov account to confirm your enrolment for CCS to be applied to your account. If this has not occurred, you will be liable for full fees.

If your child is absent on their first or last day of care, CCS won't apply, and full fees will be charged. If your child doesn't attend for 14 weeks, Services Australia will automatically cease the enrolment and may reclaim (reverse) any CCS paid after the last physical attendance.

Sign in/out

PCYC Queensland has electronic sign in/out. Any person signing child/ren in or out **MUST** be listed on your Enrolment Form and sign in/out using their **own** phone number and pin.

Please notify the service as early as possible if you authorise additional people to collect your child/ren. Please ensure they have ID so we are able to safely release them to the authorised person.

Teacher Free Fun Day

Date: Monday 20/4/2026
