TERM THREE | 2026

ACADEMIC SUPPORT & CLUBS

MONDAY	START TIME	END TIME	STAFF MEMBER	YEAR LEVELS	VENUE	DETAILS
Art Club	1:00 pm	1:40 pm	Maddi Lewis	Year 6 to Year 12	D6	Art Club is for students who want a creative space to explore their artistic ideas. It's a place to develop their Visual Arts class work, experiment with new ideas, or start a personal project–whether that's painting a favourite animal, designing a landscape, or recreating a masterpiece.
Crochet Club	1:00 pm	1:45 pm	Joanna Anderson	Year 6 to Year 12	Art 2	Crochet Club is a welcoming space for students of all skill levels to learn new techniques, create fun projects and make new friends. Whether you're a complete beginner or an experienced crocheter, come along and discover what you can create–one stitch at a time.
French Clinic | Grammar etc - Upper School	1:00 pm	1:45 pm	Léa Duffour	Year 11 - Year 12	Room 4	Students will be working on important points of grammar and playing board games. They will also study techniques and prepare for assessments/exams.
Mathematics	7:30 am	8:30 am	Warren Beckwith Mei Tan	Year 7 to Year 12	Room M1	

TUESDAY	START TIME	END TIME	STAFF MEMBER	YEAR LEVELS	VENUE	DETAILS
Art Club	1:00 pm	1:40 pm	Kingsley Gray	Year 6 to Year 12	D6	Art Club is for students who want a creative space to explore their artistic ideas. It's a place to develop their Visual Arts class work, experiment with new ideas, or start a personal project–whether that's painting a favourite animal, designing a landscape, or recreating a masterpiece.
Biology Support	1:10 pm	1:40 pm	Vanessa Reddy	Year 11	Room S3	Academic support for anyone studying Year 11 Biology. It is an opportunity to attain individual or group help with understanding of content or catching up on missed lessons.
Homework Club	3:30 pm	4:30 pm	Utso Chakraborty	Year 6 to Year 12	Library 2	Homework Club is for students to start, continue with and complete work in the quiet library space either independently or with the support of the teacher. Homework club runs 3 days per week during all terms.
Robotics Club	1:00 pm	1:45 pm	Deven Reddy Iain Ford Daniel Hortense	Year 6 to Year 10	Room 6.1	This is fun way for learners to learn about building, designing and coding for robots. Learners will engage in building and programming EV3 robots in order to enter the annual Robocup competition.
Warhammer	1:00 pm	1:45 pm	Andy Costall	Year 6 to Year 12	E1	Warhammer is a tabletop miniature wargame that encourages strategic thinking, creativity, and teamwork. Players build and paint their own miniatures, develop strategies, and engage in friendly battles, all while getting stuck in to a grim dark sci-fi narrative setting. I have a number of minis the kids can borrow if they like, and the Warhammer Alliance program provides some too.
