Dear Joanne

I am pleased to advise that the Public School Review of Hammond Park Secondary College has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. The review is to be scheduled for 2028. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

The review team reported a notable feature and strength of Hammond Park Secondary College is the vibrant and flourishing relationships and partnerships that have been cultivated. It is evident the genuine and respectful approaches taken by the college in all interactions have helped to build a strong, interconnected community that works together to provide the best possible environment for learning and growth.

It was also noted that you are strategically and skilfully leading a professional, contemporary and high performing team, underpinned by a belief that a collaborative professional growth culture of continuous improvement will cultivate key leadership attributes for all staff. You are to be commended for this approach.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
