Box of Books - Parent Information

Order by Sunday, 13 December 2026

Your school has partnered with Box of Books (BoB) to make getting ready for the new school year simple. All your child's digital and physical textbooks and stationery items can be ordered in one place, so they're ready to go from day one.
This document provides a summary of all subjects that have a booklisted resource for purchase. All relevant subject-level information will be detailed in the booklist via the BoB Shop.
Please ensure that you review the booklist carefully, as it contains the most up-to-date and accurate details for your school's resource requirements.

How to Order

Head to **https://shop.boxofbooks.com.au** to place your order.

Ordering early helps make sure everything is ready for the first day of school.

Subject Notes

Please take a moment to read the subject-level notes on the booklist via the BoB Shop. These contain important guidance on whether resources are required, optional, or provided by the school. The notes also include any additional instructions from teachers or departments to assist with selecting the correct resources.

Digital Books

No need to worry about codes or extra steps.
Your child simply logs in with their **school student email address** via the school's Box of Books portal: **https://ipswich-grammar.boxofbooks.io**
All digital resources will be waiting for them when they sign in.

Physical Delivery

Your child's books will be delivered straight to your home, with each student's order packed in their own box. You can track orders anytime through your BoB Shop account. Delivery is $9.95 plus a $5.95 packing fee per student for orders with three or more physical items, while digital-only orders are always free.

Late Orders

We'll always do our best to supply your child's resources in full. Please note that for orders placed after
Sunday, 13 December 2026, stock can't be guaranteed.
If something is delayed, your order may arrive in more than one delivery.

Prices as at Wednesday, 28 October 2026

The prices provided are correct at the date of publication but are subject to change. Any changes to prices will be updated in the Box of Books Shop as they occur.

IMPORTANT - BOOKLIST INFORMATION	Quantity	Digital (BoB)	Digital (BoB) & Physical	Physical & Miscellaneous

Where available, Box of Books offers the option of '*Digital on BoB & Physical*' or '*Digital on BoB*'. If the school requires students to use a specific format, this will be clearly indicated on the booklist. Where no format is specified, families are free to choose the option that best suits their preference and learning needs.

Once purchased, all digital texts can be accessed by the student signing in to their Box of Books profile via their school portal using their full correct school email address and password. Please refer to the Access Digital Textbooks help article for more information.

We strongly recommend students log in prior to the start of the school year to ensure all digital textbooks and access to the publisher's interactive resources are set up and ready for use from day one.

Additional Information

- The 'General Stationery' listed at the end of the booklist is considered optional for all students. We encourage families to review their child's existing supplies before the start of term to ensure they are adequately prepared. Quantities provided are estimates based on teacher experience; individual student needs may vary.
- Subject-specific stationery requirements are listed under each subject as per the school's request. Please note that all elective subjects are included - *only* purchase items relevant to the electives your child will be undertaking in 2027.

Students are expected to have all required materials for the beginning of the school year. All items should be brought to school on the first day.

To ensure timely delivery of all available items for the start of the academic year, please place your order by **Sunday 13th December 2026.**
