

Special Abilities Scholarship Instrumental and Vocal Music

Ipswich Grammar School celebrates musical excellence and is committed to supporting students who have demonstrated a potential to benefit from academic and co-curricular programs. Music scholarships are granted to students who can make a significant contribution to the school.

Students entering Year 7 in 2021 or 2022 are encouraged to apply for a Special Abilities Scholarship in Instrumental and Vocal Music. Whilst our targeted year levels are Year 7 and Year 10, scholarships can be awarded to all other year levels between 7 and 12, under special circumstances and are assessed on an individual basis.

Music Scholarships are awarded for a maximum 3-year period and are reviewed annually. The discount applies to Tuition Fees only and does not include boarding fees.

Please note that an application must be received for consideration before any assessment or formal offer can be made. Each application is assessed on an individual basis and treated in a confidential matter.
