Students entering Year 7 in 2021 or 2022 are encouraged to apply for a Special Abilities Scholarship in Sports and Activities. Whilst our targeted year levels are Year 7 and Year 10, scholarships can be awarded to all other year levels between 7 and 12, under special circumstances and are assessed on an individual basis.

Sports and Activities Scholarships are awarded for a maximum 3-year period and are reviewed annually. The discount applies to Tuition Fees only and does not include boarding fees.

Please note that an application must be received for consideration before any assessment or formal offer can be made. Each application is assessed on an individual basis and treated in a confidential matter.

Key Criteria

- Overall sound academic performance
- Regional, State or National representation in chosen GPS sport/activity in recent years and future potential
- A demonstrated sense of community
- Diligence and application in sport and academic studies
- Leadership Capacity

All applications must be submitted in PDF format via the online Enrolment Form. No hard copies will be accepted, no staples and no display folders.

Applications will be assessed and if short-listed, the applicant will be invited to attend an interview with the Deputy Headmaster. Following this interview, you will be notified in writing whether or not a scholarship will be offered.

Scholarships are reviewed annually and may be withdrawn if the Headmaster is not satisfied with the diligence or conduct of the recipient.
