A \$200 insurance excess is payable by parents should there be loss of or damage to a laptop/iPad.*

- The Facility Fee/Building Levy covers the provision and maintenance of buildings; furniture and equipment; plant and machinery; utilities such as power and water and the servicing of debt from capital development loans.

OTHER ANNUAL FEES

- A voluntary levy of \$116 per family is charged on the Tuition Statement on behalf of the Iona Parent Council.
- The College currently subsidises 50% of the cost of INSTEP, VET Certificate III / IV course and UniReady. These fees are **non-refundable** once class lists have been determined.

ANNUAL BILLING AND PAYMENT OPTIONS

All annual fees and charges are billed once to families in January each year once class lists have been determined and sent by email. Amenities Fees and INSTEP/VET fees are **non-refundable** once billed in the event a student changes subject or leaves the College. This is due to the allocation of staff and resources based on student numbers enrolled for subjects at the start of each year. Tuition Fees will be credited pro-rata based on the number of terms remaining after providing a minimum of one term's notice for a student.

SIBLING DISCOUNT

A reduction of 10% is applied on the Tuition Fees (Kindergarten - Year 12) for the second child, 20% reduction for third child, and 30% on all subsequent children. All other fees and charges incurred are incurred as normal and must be paid in full.

PAYMENT OPTIONS

Families will be emailed a Payment Options Advice Form when fees are billed in January each year. The completed form is required to be returned to the College **no later than the Friday of the start of formal lessons (week 1)**, with the payment option selected from the four choices as listed below, together with the relevant details for Direct Debit or Automatic Credit Card deductions where chosen.

SPECIAL FEE PAYMENT ARRANGEMENTS

The College recognises that circumstances may arise which requires families to seek changes to how fees are going to be paid. Such changes are to be discussed and arranged with the Business Manager in advance, and families are encouraged to communicate early and often through such periods. Please contact the Accounts Office for a copy of the College's Special Fee Arrangement Request Form. The granting of such special arrangements is at the discretion of the College Principal.

FINANCIAL SUPPORT

Any parent in genuine financial hardship may obtain a Nano Nagle Bursary form from the College Accounts Office. There are various criteria applicable for the assessment of these applications. Parents are informed of the outcome of their assessment. Parents are required to re-apply for consideration on an annual basis. Current Nano Nagle Bursary recipients must re-apply prior to **2 February 2026**.

FEES NOT PAID

While the College is supportive of families who find themselves in difficult circumstances, the College rigorously follows up on all overdue accounts. The College reserves the right to appoint a debt collection agency or to take legal action for the recovery of fees not paid. This will be done where reminder notices are persistently ignored, or arrangements are not made with the College to pay overdue accounts. This is done to ensure fairness to families who do pay fees in accordance with the College's Fees and Charges Schedule. All expenses, costs and disbursements incurred by the College in recovering any outstanding monies, including agency fees and solicitor costs shall be charged to the family account. The signed Enrolment Form accepting a place at the College is a binding legal agreement with the College to pay these expenses, costs and disbursements to the College and indemnifying the College in relation to such monies is a condition of a student's enrolment.

OPTIONAL TOURS AND EXCURSIONS

To be eligible to participate in optional tours or excursions, students may not be receiving a special discount or Nano Nagle Bursary, and all tuition fees and other compulsory charges are fully paid or are up to date as per the agreed Payment Options Advice Form.

SECONDARY ASSISTANCE SCHEME

The State Government offers a Secondary Assistance Scheme which provides an allowance of \$235 for students in Years 7 – 12 plus a clothing allowance \$115. The College also offers a Nano Nagle Bursary to holders of means tested concession cards. Application forms are available for both schemes from the Finance Office. For further information, including the closing date, please contact the Ministry of Education on +61 8 9264 4111 or visit www.education.gov.au.

MUSIC SCHOOL INSTRUMENTAL LESSONS PROGRAM

The College offers private music tuition to students throughout the year. Details of these lessons and associated costs are available from the Iona Music Department on 08 9384 0066. Music Statements will be sent out each Semester and are payable in advance prior to lessons commencing.

STUDENT WITHDRAWAL

Notice of withdrawal must be given in writing to the Principal. Verbal notification is not considered Due Notice. The College defines Due Notice of the withdrawal of a student as requiring at a minimum, a full term's notice as communicated in writing to the **Principal**. Notice to withdraw a student at the start of the next academic year must be given no later than the commencement of Term 4 the previous year. If Due Notice is not provided, one term of the current annual tuition fee will be incurred.
