TERMS AND CONDITIONS

This Fees Schedule is to be read in conjunction with the Enrolment Agreement and other policies (found on our website).

JOINTLY & SEVERALLY LIABLE

All signatories to the Acceptance of Offer of Enrolment Form are jointly and severally liable for fees payable as a result of enrolling a child at the College. This arrangement continues and may be changed only where required by law and with the agreement of the College.

Fee Accounts are invoiced to both parents unless one parent provides notification in writing that they will take sole responsibility for payment, or evidence that fees are subject to a Court Order.

Written notification altering responsibility for payment does not alter the joint and several liability of a parent for the fees where they have signed the Acceptance of Offer of Enrolment Form.

WITHDRAWAL OF STUDENT

Parents will provide one full term notice in writing (by the first day of the preceding term) if their child/children will be withdrawn from the College. A written notice addressed to the Principal must be provided to the College, stating the date the student is to be withdrawn from the College, the reason for withdrawal and the destination school/workplace. Where such notice is not provided, one term's fees will be payable per child withdrawn. If the student leaves at the end of a term, notice must be given prior to the first day of the term. Where notice is given during a term, the remainder of the term's fees, plus the next full term's fees will be payable.

PERIOD OF ABSENCE

The College may agree to hold a place where a leave of absence from the College for a period of one full term or greater (up to one year) is requested. Full fees are payable to hold a place for the absence period. Requests for leave of absence consideration must be made in writing addressed to the Principal at least one term in advance of the proposed absence.

OTHER NON-ATTENDANCE

All education fees apply whilst the student is enrolled at the College and that period includes any period in which the student is absent from the College and any period that the student is suspended. This also includes non-attendance at year level camps, excursions and incursions, noting that pro rata credit for these events will not be issued.

REMOTE LEARNING

Fees continue to apply to all enrolled students without reduction or offset of any kind during any period of remote learning.

OTHER INFORMATION

TEXTBOOKS

For the majority of subjects, students are required to purchase their own textbooks and stationery. Some subjects require online subscriptions including, but not limited to Edrolo. This is to be organised by the family. Items incorrectly charged to the College's account can be recovered.

INSURANCE

The College does not provide insurance for students' belongings. The College recommends that parents obtain appropriate insurance to cover any losses, for mobile technology, musical instruments and sporting equipment.

STUDENT EXCHANGE

Tuition fees are payable when students attend an exchange program.

Where an exchange student attends the College through a privately organised program, tuition fees will be charged.

FEE RELIEF

Fee relief is available to assist families who are experiencing financial hardship. Please complete the Family Assistance Application Form along with the required documentary evidence. This form is required to be completed each year. Forms are available from the Accounts Department at the beginning of the year.

ENQUIRIES
