

Booklist Stationery for 2021 for Pre-Primary

We look forward to welcoming your child into Pre-Primary for 2021.

Listed below are the various requirements for Pre-Primary for the year. Please note that all compulsory items are ordered by the school and supplied directly to the classroom.

At Kalamunda Christian School our students commence using their own personal use stationery from Year 1.

The Kick Start, Kindergarten and Pre-Primary classrooms have shared stationery for everyone in the class to use, so labelling is not required for these year groups.
