

How to Join our swimming club

New members will need to access the SwimCentral database. SwimCentral, was developed by Swimming Australia as the main portal for managing memberships and entering carnivals.

Swimming Australia have provided the guide below.

- Go to the SwimCentral website and register as a new member
 - You will need to create a profile for an adult/guardian ([help guide here](#))
-

STEP 2. Set up swimmer(s) into the family group ([help guide here](#))

- Go to the SwimCentral website and register as a new member
 - From here, you can create a family group by selecting the 'Family Setup' tile.
