

Information for competitive swimmers

Competitive members of the Moreton Bay Swimming Club can access several competitions, throughout the year. There are five levels of competition, with each level having been designed for a particular stage of aquatic development.

Level 1.

Moreton Bay Swimming Club Night

Club Nights enable swimmers of all ages, to access and experience racing, in a fun, low stress environment. Club nights are held throughout the summer, with specific dates advertised via the mbswimming.com.au website.

The 2021 Club Night season will consist of 10 Friday evening meets.

- 9 regular meets, with differing stroke / technical focus'
 - 1 Club Championships, with trophies being awarded to successful swimmers.
-

Level 2.

Inter Club Competition, named "Preparation Meets".

These meets are sanctioned by Brisbane Swimming Association and often hosted by a swimming club *eg; Moreton Bay Swimming – Preparation Meet.*

Athletes may achieve specific qualifying times at these meets, that will allow them to enter meets at level 3, 4 & 5.

Level 3.

Brisbane Swimming Preparation & Championship Meets

These meets are operated by the Brisbane Swimming Association and are conducted at the Brisbane Aquatic Centre (Sleeman). Swimmers will need to have achieved specific qualifying times, prior to entering these meets. Athletes may achieve specific qualifying times at these meets, that will allow them to enter meets at level 4 & 5.

Level 4.

Swimming QLD Preparation & Championship Meets

These meets are operated by Swimming Queensland and are conducted at the Brisbane Aquatic Centre (Sleeman). Swimmers will need to have achieved specific qualifying times, prior to entering these meets. Athletes may achieve specific qualifying times at these meets, that will allow them to enter meets at level 5. Results at these meets often form the bases for athlete selection onto Queensland Teams (senior and Junior).

Level 5.

Swimming Australia National Age and / or Open Championships

These meets are operated by Swimming Australia and are conducted at any of the major Aquatic Centre's in Australia. Swimmers will need to have achieved specific qualifying times, prior to entering these meets. Results at these meets often form the bases for athlete selection onto Australian Teams (senior and Junior).
