

# Charter for Global Citizenship

*“An inspiring and nurturing learning community which empowers students to be future-ready global citizens.”*

We define a global citizen as someone who acts responsibly and with courage to make a positive difference in our interconnected world.

We are committed to global citizenship by being:

- Knowledgeable of issues facing the planet and our role in making the world a more sustainable place.
- Critical and creative thinkers who are curious about the world and open to the perspectives of others.
- Caring of ourselves, others, and our planet with empathy, and generosity.
- Respectful communicators who can collaborate across different cultures.
- Honest and kind and ready to act in times of injustice, unfairness and discrimination.

**Our Values:**

## Care, Teamwork, Engagement, Character
