Child Safeguarding Policy

The Marist College Canberra Child Safeguarding Policy implements, and is to be read and understood in conjunction with the National Catholic Safeguarding Standards published by Catholic Professional Standards Ltd.

This Child Safeguarding Policy has been approved by the Marist Schools Australia Leadership Team on 1 September 2020.

The Child Safeguarding Policy is published on our College's public website and provided to new Staff and to Direct Contact Volunteers and Direct Contact Contractors at induction. It is also made available to Regular Contractors and Regular Volunteers prior to their engagement with the school. It is also communicated through other mediums, including but not limited to online newsletters, online compliance training and scenario-based education and training for all staff (teaching, support, pre-service, relief, casual), online training for all Direct Contact Volunteers (including volunteer sports coaches and managers), the contractor induction and annual registration process, and to External Education Providers via the College's risk management procedures.

Purpose

Our Child Safeguarding Policy was written to demonstrate the strong commitment of the College to child safety, and to provide an outline of the policies and practices that we have developed to keep our students safe, including from abuse, neglect or other harm.

It is an overarching policy that provides the key elements of our approach to the College as a child safe organisation and sets the tone for the College's entire Child Safeguarding Program.

The Child Safeguarding Policy provides the framework for:

- the development of work systems, practices, policies and procedures that promote child protection, safety and wellbeing within the College
- the creation of a safe and supportive College environment and a positive and robust child safe culture
- the promotion and open discussion of child safety issues within the College
- compliance with all laws, regulations and standards relevant to child protection in the ACT.

Scope

The College's Child Safeguarding Policy applies to all adults in the College community, including Staff, Volunteers, Contractors, External Education Providers, parents/carers and other family members. This policy applies in all College environments, both physical and online, and on-site and off-site College grounds (e.g. camps and excursions).
