

Trades Assistant –

General Aviation

Chrisair Maintenance | Mackay QLD | Full-time

Monday to Friday | 7:30am – 4:30pm (1hr unpaid lunch)

Chrisair Maintenance provides general aviation maintenance services to customers across Mackay, the Whitsundays, Townsville, and remote Western Queensland. We are a busy, tight-knit team looking for a **Trades Assistant** to join our hangar and keep things running smoothly. This isn't just a helper role — **you'll be the person who keeps our engineers rolling**. From collecting urgent parts around town to making sure tools and equipment are ready to go, your support will make a real difference to the speed and efficiency of aircraft maintenance in our hangar.

You'll be hands-on with tasks such as:

- Collecting parts, equipment, and running errands (**driver's licence/P Plate is essential**)
- Assisting engineers with day-to-day maintenance work
- Washing aircraft and basic workshop tasks
- Keeping the workspace clean, safe and ready for action
-

This role is ideal for someone who:

- Has a genuine interest in aviation and wants to explore a career in the field
- Is mechanically minded and enjoys practical work
- Is reliable, organised, and able to take initiative
- Understands how essential behind-the-scenes work is in a high-functioning team

Whether you're a school leaver, career changer, or someone simply looking for an opportunity to get a foot in the door, **this is your chance to become a valued part of the general aviation industry**. For the right person, it could even lead to further training or an apprenticeship.

If you're ready to jump in, support a great team, and be the reason things run smoothly in the hangar — we want to hear from you, call Claire on 0458 213 523 or drop by and see us. www.chrisair.com.au
