

## **Laptop Requirements**

If you intend to purchase a new device for your Year 11 or Year 12 student, please find below our recommended specifications:

### **Windows-Based Device**

Operating System: Windows 11

Processor: A mid-range processor or higher is recommended. (eg. Intel i5 or AMD 5000 series)

Memory: 8GB

Hard Disk: 256GB SSD

Battery: Greater than 6 hours of runtime

Charging: USB-C Charging capability is highly recommended.

### **Apple Mac Device**

Any Mac with an M-series processor is suitable.

*Please Note: If your student has selected Industrial Graphics or Design as a subject, a Windows-based device is necessary to run the required AutoDesk CAD applications.*

### **Microsoft Office 365**

The College provides Microsoft Office 365 and does not need to be purchased separately. Licences are made available through students' school accounts following the commencement of the school year.

If you have any other questions, you are welcome to contact the College IT team for advice on (07) 4994 8700 or [324-informationtechnology@rok.catholic.edu.au](mailto:324-informationtechnology@rok.catholic.edu.au).
