

## CURRICULUM LEADER – SCIENCE

Mt St Michael's College seeks applications from experienced, qualified, and passionate educators to fill a permanent position of Curriculum Leader of Science to lead a strong team in the implementation of the new QCE processes and the Australian Curriculum. Joining Mt St Michael's College in this key role presents an exciting career opportunity to become part of a dynamic and collaborative education community.

This is a full-time permanent teaching position, commencing in January 2021 with a middle management leadership allowance.

### SELECTION CRITERIA TO BE ADDRESSED

Applicants are required to provide written responses to the following Selection Criteria.

The responses should be a separate document from the covering letter with concise statements totalling no more than two pages.

- An understanding of and commitment to the aims of Catholic education and the mission, vision and values of Mt St Michael's College.
- A vision for the future development in this key curriculum area.
- Provide a clear but succinct example of the implementation of a recent relevant project or program or your vision for this role that demonstrates your leadership capacities appropriate to this role.
- Knowledge and experience with the relevant curriculum area demonstrating an understanding of the Australian Curriculum and new QCE processes.
- Demonstrated excellence in teaching with knowledge of contemporary pedagogies.
- Integration of ICTs is essential.
- Excellent communication skills with attention to team work and collaborative practices.

### APPLICATION PROCESS

Applications should include the following documentation:

- a covering letter;
- a document containing written responses to the Selection Criteria;
- a Curriculum Vitae outlining a Queensland Teacher Registration Number, qualifications and experience;
- and the names and contact details of three professional referees.

Applicants should email their application to: [hrm@msm.qld.edu.au](mailto:hrm@msm.qld.edu.au)

The successful candidate will be chosen through a process of interviews of shortlisted applicants. For further information, please contact Ms Willie Coleman on (07) 3858 4949 or email [hrm@msm.qld.edu.au](mailto:hrm@msm.qld.edu.au).

**Applications close 9am Friday 23 October 2020.**
