

MT ST MICHAEL'S COLLEGE

UNDER THE STEWARDSHIP OF
MARY AIKENHEAD MINISTRIES

SAFETY GLASSES

Safety glasses are a compulsory requirement when working in the science labs. They should conform to the current Australian Standard for eye protection.

Below are links to suggested retailers where you can purchase clear safety glasses. Please choose the style that fits comfortably, keeping in mind your daughters' individual needs eg: she may need a pair which cater for the use of reading glasses:
