

Box of Books: Ordering your student's 2021 textbooks

Dear Parents and Caregivers,

We are pleased to announce our continued engagement with Box of Books for the provision of digital and physical education resources for the 2021 school year.

Please see the video below on how Box of Books works and how we will continue to work together to support your student's ongoing educational needs.

[Box of Books - Service Overview](#)

Some families may already have the school prescribed texts in hard copy, either through siblings who have completed the subject in an earlier year, or through the purchase of the text separately to Box of Books. Where this is the case you will still need to have your student provisioned for the digital version of the text on **Box of Books**.

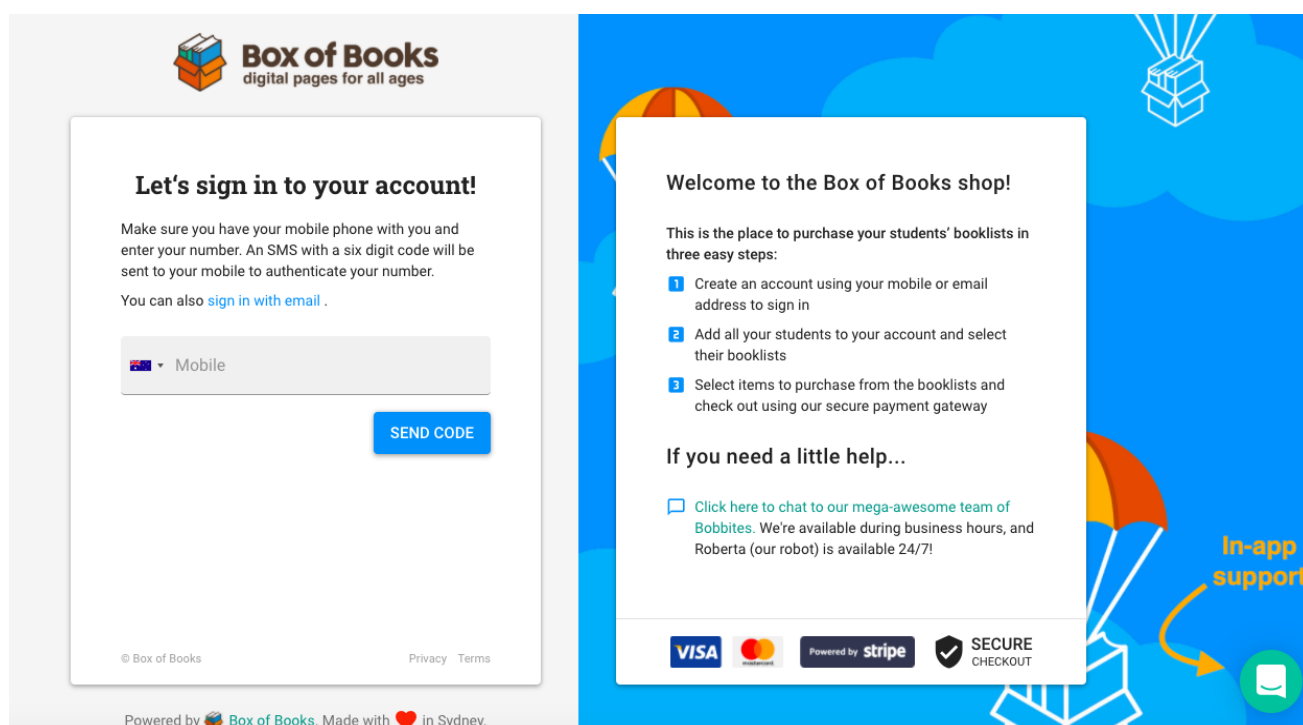

Please note ***if your student does not have the digital version through Box of Books then they will not have access to all the additional resources and enhancements made to the texts by the class teachers.***

Box of Books looks forward to supporting your students' learning through their world leading digital platform and 100% COVID safe delivery service for texts and physical resources for school families.

Steps to order:

1. Visit <https://shop.boxofbooks.com.au> to create your parent/guardian account or login
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage direct to your nominated address and payment

For further assistance, please see this short informative guide on [How to Purchase Books](#) or contact the Box of Books team through the in-app support function.

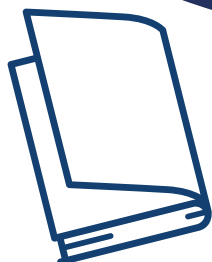

The image shows two side-by-side screenshots from the Box of Books website. The left screenshot is a sign-in page with the heading "Let's sign in to your account!". It includes instructions to use a mobile phone for SMS authentication, a text input field for a mobile number with a dropdown menu, and a blue "SEND CODE" button. The right screenshot is a welcome page titled "Welcome to the Box of Books shop!". It lists three steps for purchasing booklists: 1. Create an account, 2. Add students and select booklists, and 3. Select items and checkout. It also features a chat support link for "Bobbites" and a footer with logos for VISA, Mastercard, Stripe, and a "SECURE CHECKOUT" badge. An "in-app support" icon is visible in the bottom right corner of the right screenshot.

How to order your stationery supplies for 2021:

1. Follow the link emailed to you or click on the booklist tab at sequelbooks.com
2. Click on your year level
3. Fill out your requirements & student details
4. Enter your customer & payment details
5. Sit back, relax and wait for your pack!

SAFETY GLASSES

Safety glasses are a compulsory requirement when working in the science labs. They should conform to the current Australian Standard for eye protection.

Below are links to suggested retailers where you can purchase clear safety glasses. Please choose the style that fits comfortably, keeping in mind your daughters' individual needs eg: she may need a pair which cater for the use of reading glasses:

Suggested retailers:

<https://www.bunnings.com.au/search/products?page=1&q=safety%20glasses&sort=BoostOrder&pageSize=60>

<https://www.rsea.com.au/ppe/eye-protection/safety-glasses>
