Dear College families of 2026/2027 Year 12,

Subject: Ordering your Year 12 student's 2026/2027 textbooks with Campion

Norwest Christian College is pleased to confirm our engagement with *Campion* for the provision of digital and physical education resources for the 2026/2027 school year. *Campion* is a proudly Australian owned company that works hard to keep leading schools at the forefront of digital learning.

Some families may already have the school prescribed texts in hard copy, either through siblings who have completed the subject in an earlier year, or through the purchase of the text separately to *Campion*. Where this is the case, you may still choose to have your child provisioned for the digital version of the text on *Campion* so that they can use the digital at school and keep the physical copy at home. The digital version can be purchased for a discounted cost. This will be integrated in the Canvas Course for the appropriate subject so that resources are readily accessible.

Similarly, you may wish to purchase your child's text second hand. This is a cost-effective way to resource the course, though the digital copy is highly desirable for ease of accessibility without carrying heavy texts books daily.

Please note if your child does not have the digital version through *Campion* then they will not have access to all the additional resources and enhancements made to the texts by the class teachers.

Campion looks forward to supporting your child's learning through their world leading digital platform.

Steps to order:

1. Go to https://campion.com.au/myconnect2-login/ to create your parent/guardian account
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage direct to your nominated address and payment

Kind regards,

Nicole Smith
